

## **Energol® CS**

### **PRODUCT DESCRIPTION**

Energol® CS is a highly refined paraffinic mineral oil for application in air tools, air motors, valves, air cylinders, etc., where extreme pressure, anti-wear, or rust and oxidation inhibitors are not required. Energol® CS possesses excellent natural oxidation stability for consistent usage in the chosen application.

### **APPLICATION**

Industrial and commercial air tool applications are general recommendations for Energol® CS.

### **FEATURES**

- Good natural oxidation stability
- Carefully selected paraffinic base stocks
- High viscosity index base oil

## **TYPICAL PROPERTIES**

### **Energol® CS**

<b>Grade (ISO)</b>	<b>Test Method</b>	<b>32</b>
